Enniskillen Castle

Situated beside the River Erne in County Fermanagh, Enniskillen Castle was built around 600 years ago by the ruling Gaelic Maguires.

The historic attraction provides a key to Irish history from Medieval Stronghold to Plantation Castle to later Military Barracks. Today, the Castle complex houses two Museums, Fermanagh County Museum and The Inniskillings Museum. One admission ticket to Enniskillen Castle Museums gives access to all three attractions.

New facilities include a café, shop, discovery space with panoramic views, seven new galleries, Genealogy Centre and tourist information.

Key to exploring Fermanagh's unique stories

Fermanagh County Museum

Explore the oldest rooms in Enniskillen in the Medieval Maguires Gallery. Step back in time to discover the earliest settlers in Fermanagh and learn about living on a crannog – an artificial island dwelling.

Journey through the lakelands, retracing the European medieval pilgrimage route round the monastic sites of Lough Erne. Be inspired by the Museum's gem of an art collection from important paintings by William Scott and TP Flanagan to rare pieces of Belleek Pottery.

Wonder at the magic of museums with Gordon Johnson's historic shop and beautifully crafted models. Feel welcomed in the Fermanagh Hearth Gallery, showcasing Johnny McKeagney's Folklore Archive.

Inspiring events - something for everyone

The Inniskillings Museum

Enniskillen has the unique honour of being the only town in Great Britain and Ireland to give its name to two regiments, the Royal Inniskilling Fusiliers and the 5th Royal Inniskilling Dragoon Guards. This Castle was the birthplace of these regiments more than 330 years ago.

The Inniskillings Museum houses a rich collection of regimental silver, battlefield curios, personal treasures, weapons, vehicles, medals and uniforms which, with the aid of interactive exhibits, reveals the story of men who proudly wore a castle on their badge with distinction.

The Quartermaster's Store museum shop stocks a range of military books and regimental memorabilia. The museum carries out research on individuals who served in the Royal Inniskilling Fusiliers prior to 1920.
